Who are you?

You are a team player:

You are clean, tidy, on time and raring to go. You may be often behind the scenes but you are an essential part of the team, without you the team as a whole will fail. You take pride in being a part of the whole.

You are organised:

You always know what's happening in the hotel, you plan your work and know how long you need for all your tasks. You can switch from cleaning mode to welcoming guests smiley face mode, without taking a breath. You are security minded and organise your checks so they fit in with the rest of the evenings work.

You are Committed & Curious:

For you it's all about getting it right for the customer and the team. You actively seek learning experiences and bring your previous experience with you applying the best of your knowledge to the task in hand.

What's Essential?

This is a physically demanding position requiring you to be on your feet most of the night and spend time moving furniture and equipment. So you should feel confident that you are able to complete these kind of tasks

We are lucky enough to be in a beautiful area, but unfortunately that means you most likely need your own transport.

We are a seven day a week business, so it is important you can be flexible about the days you work. Whilst we work hard to help our teams find a balance some weekend working is inevitable.

This is a 2 night per week position, working Sunday and Monday nights. You will also be required to cover some holidays too.
